FLESSIBILITÀ
FLEXIBILITY - FLEXIBILITÉ
BIEGSAHKKEIT - FLEXIBILIDAD

Gli screen, in vetro satinato e in finitura alluminio, permettono una giusta suddivisione e identificazione del singolo posto di lavoro.

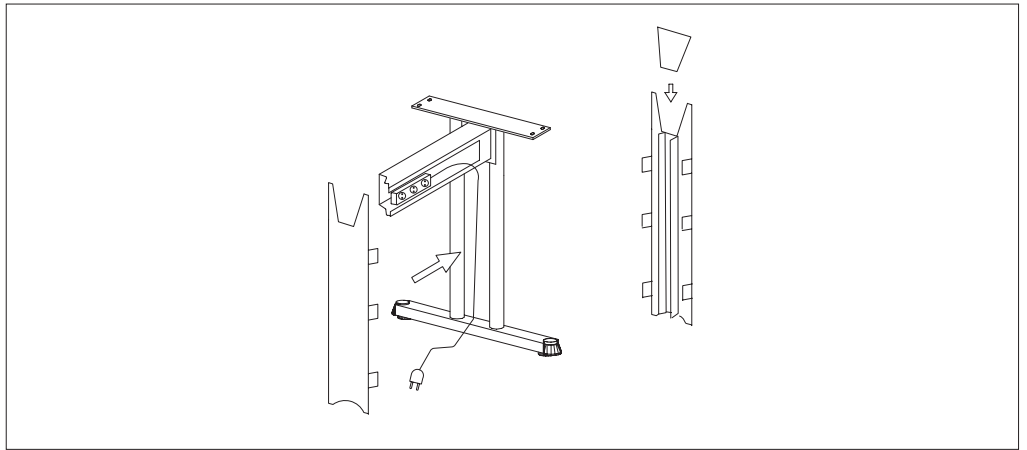

Die Kabelführung befindet sich im Fußgestell, welches in Silber-und Anthrazit lieferbar ist.

Metalca de la mesa permite la conducción del cableado y con ello una eficiente organización del espacio de trabajo.

Wire-management is possible through the metal frame; legs are available in anthracite and aluminium finish.

Métallique, anthracite ou aluminium, entièrement canalisable, consent d'organiser efficacement le milieu de travail.

Metallica, antracite o alluminio, completamente canalizzata, consente una efficiente organizzazione dello spazio di lavoro.

Stream vervollständigt die Baureihe mit einer höhenverstellbaren Struktur und bietet so eine bessere Ergonomie sowie vermehrte funktionelle Eigenschaften beim Gebrauch. Die große Auswahl an Dekoren, sowie die Fußabdeckungen in Aluminium und Anthrazit, geben dem Gestell eine doppelte Persönlichkeit.

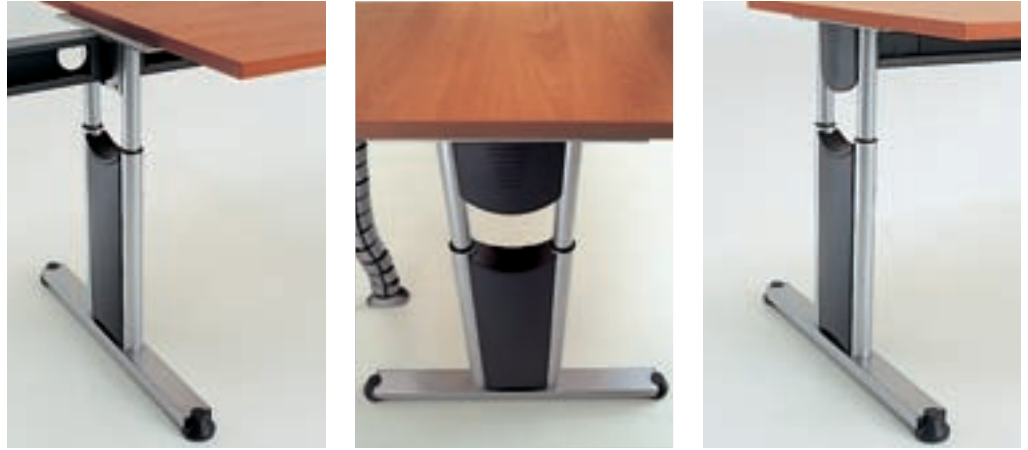

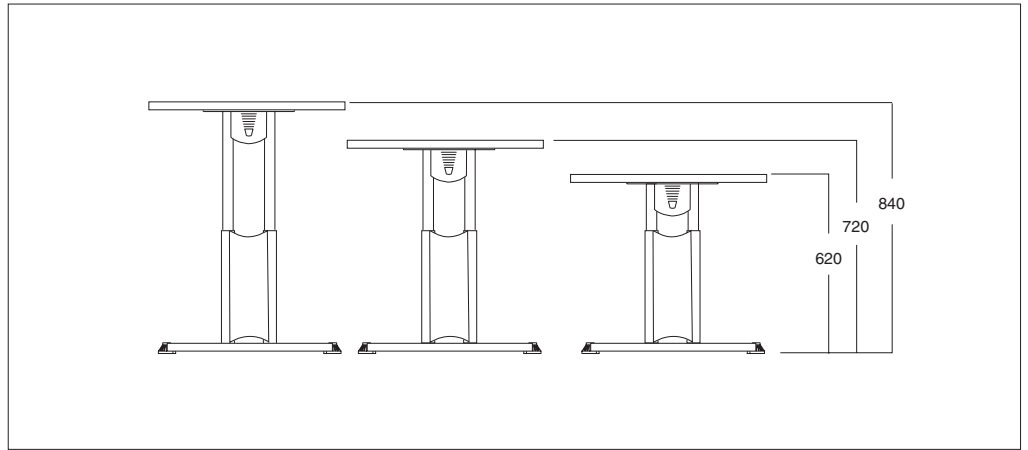

Stream completa su propia gama con una estructura regulable en altura para ofrecer una mayor ergonomía y funcionalidad de uso. La posibilidad de utilización del carter de material sintético en la pata duplica la personalidad estética del producto.

Stream completes its range with a height-adjustable frame to offer improved ergonomic features and functionality. The leg cover kit, with its choice of finishes, gives the range a double personality.

Stream complète sa gamme avec une structure réglable en hauteur qui la rend plus ergonomique et fonctionnelle. Le carter optionnel clipsable sur le piétement souligne la double personnalité du produit.
