Scocca realizzata in integrale morbido Freeform, materiale a bassa densità particolarmente gradevole al tatto. Resistenza meccanica molto elevata. Alta elasticità intrinseca e resistenza al graffio. Colori standard: nero e bianco. A richiesta (minimo quantità 50): qualsiasi colore RAL o Pantone. Gambe in metallo cromato.

The shell is produced in soft integral foam Freeform. New low-density material, with soft touch sensation. High resistance thanks to its natural elasticity, scratch proofed. Standard colours: black and white. Starting from 50 pieces every Pantone or RAL colour can be supplied. Legs in chromium plated metal.
